## Why Teeth Whitening Powder?

- Fast Acting
- Remove Stains Effectively
- Maintain Oral Health
- Fresh Breath Whole Day

## What Can You Benefit From Teeth Whitening Powder?

Clean and polish your teeth, keep your mouth fresh staying on top of your health and restore your bright smile.

Say bye-bye to chocolate stains, tobacco stains, coffee stains, tea stains, bad breath, food residue, tooth decay and so on.

Prevents plaque and tartar buildup.

## Our Teeth Whitening Powder Is Not White But Blue

- Whitening your teeth with the fine and smooth powder
- Clean the dirt inside the teeth
- Remove the stubborn teeth stain
- Brighten and whiten teeth while protecting
- keeping your mouth with fresh breath

## Bright White Teeth

Gentle cleaning Brighten teeth

- Remove tooth stains
- Fresh breath
- Care for the gums

## How To Use

STEP 1

STEP 2

STEP 3

Dip a clean, wet toothbrush into the teeth powder.

Brush your teeth gently with the teeth powder for 2-3 minutes.

Rinse your mouth with water and brush your teeth with toothpaste to get rid of any teeth powder residue.

## Why Choose Us?

- Mild ingredients, without harming gums;
- Can be used daily instead of toothpaste;
- Pearl essence extracted from deep-sea pearl mussel is delicate;
- Pearl powder replaces activated charcoal, easy to clean and easy to use.

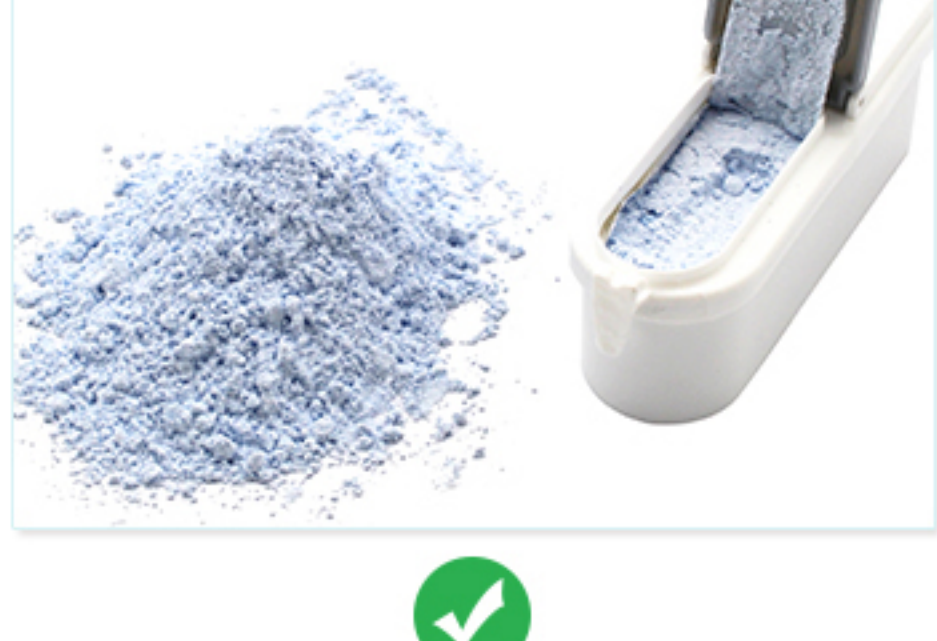

## Product Comparison

✗

Ordinary tooth powder is not delicate enough

✓

Fine enough, mild stain removal

## Advantages

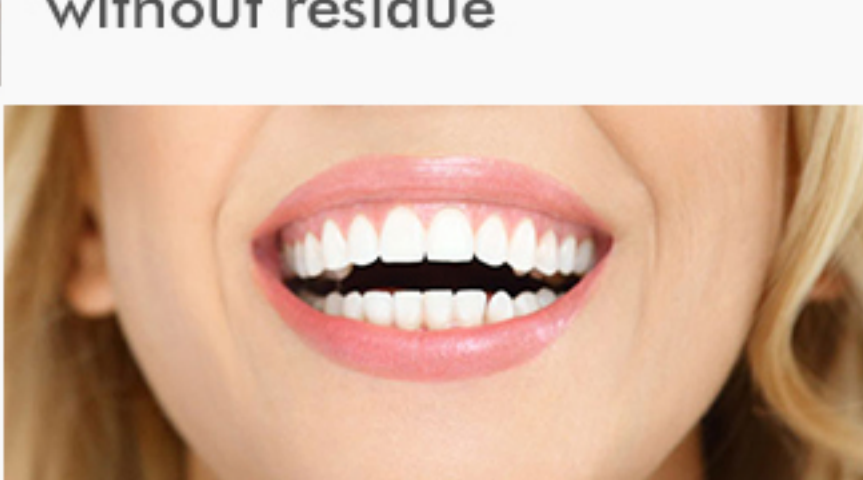

01

Fine foam, easy to clean without residue

02

Mild taste not irritating

03

Mint fragrance, fresh breath
